September 30th – Saturday - Preserving and enjoying the history and advances of the nickel era automobile (vehicles 1932 and older) by touring and fellowshipping together while enjoying the challenges of the drive. During the last week of September, members and cars of the national Nickel Era Touring Registry will be traveling through our beautiful Southern Utah. This Club and tour is specifically for vehicles 1932 and older that still run on their original and stock drivetrains. Grand old cars like this just don't show up in Southern Utah very often! We will have vehicles from all over the country like Pierce Arrow, Auburn, Packard, Locomobile, Chrysler, Premier, Cadillac, Rolls Royce and more. Club will join in the Saturday Tuacahn Market for a free display of these cars from 9:00am to noon in the Tuacahn Bus Parking lot. **Please join us and see what it was like to "ride in style" 90 to 110 years ago!** If any of your followers want to bring their collector car, there should be plenty of parking for them on the East side of the Tuacahn parking lot just downhill from the Bus Parking lot.
